Joe – All copies of the privilege documents identified in your January 31, 2014 letter have been destroyed.

Have you spoken to Sunnyside regarding the releasability of the rest of the documents?

Also, I spoke with Nathan Longenecker regarding the documents that were apparently removed from the boxes and he was going to get back to me on the reason particular documents were pulled. Can you ask him about this issue as well?

Thanks

Richard,

Let me talk with Sunnyside and get back to you. In the meantime, can you just let me know when the privileged documents have been destroyed?

Thanks,

Joe

Joe – Once we have destroyed all copies of the documents identified in your January 31, 2014 letter, are the rest of the documents releasable?
